Some Courses undertaken at IIT Delhi

Present	**Discrete Mathematical Structures** *Prof. Ragesh Jaiswal*
Present	**Computer Architecture** *Prof. Smruti Ranjan Sarangi*
Present	**Design Practices in Computer Science** >Made a 3D bike race game using OpenGL >Worked on simulation of a Social Network
Present	**Digital Electronics Circuits** *Prof. G.S. Visweswaran*
Jan-Apr '13	**Data Structures** *Prof. Amit Kumar*
Jan-Apr13	**Analysis and Matrix Algebra** *Prof. Ritumoni Sharma*

Designing and Coding Skills

Extensive	java, C++
Intermediate	html5, JavaScript, C LaTeX, python, MySQL
Basic	css3, SML, VB

Community Involvement

- Representative at Dance Club, IIT Delhi
- I am actively involved in the **NSS** (the upfront gov. organisation for social upliftment) Activites

Other Interests

- I have keen interest in technology and related trivia.
- I also write a blog: Techvisio.
